1963 Falcon Station Wagon

VOL. 7, NO. 4

NOVEMBER 1985

The newsletter dedicated
to Falcon lovers
... everywhere!

THE FALCON CLUB OF AMERICA, INC. is a non-profit organization dedicated to preserving the FALCON automobile built by the Ford Motor Company from 1960 to 1970. Roy E. Sword founded the world-wide club in 1979. It is incorporated under the laws of the State of Arkansas. Yearly dues to The Falcon Club of America are \$15.00 (\$20.00 outside the United States), and are payable to: The Falcon Club of America, P.O. Box 113, Jacksonville, AR 72076.

THE FALCON NEWS is published monthly with information from its members. All ads must be sent to the Editor by the 10th of the month, with a limit of 2 ads per member per issue. Each ad must appear in a different section of the classified ads. The FCA will not be held responsible for errors. Legitimate errors will be corrected in the next issue when requested.

August 14, 15, 16, 1986

7th Annual National Meet at Appleton, Wisconsin.

UPDATE — 1986 NATIONAL MEET

Appleton, Wisconsin

The North Central Falconeers are very enthusiastic about sponsoring the 7th Annual FCA Meet. We believe that you will be very happy with our selection of the Guest House Inn for the site of the convention. There is a \$40.00 room rate for all rooms. They have a fitness trail, indoor and outdoor pools, tennis, game room, sauna and whirlpool, nearby shopping and restaurants. We hope you will enjoy our Wisconsin. In coming issues we will try to make you aware of things that may be of interest to you in Wisconsin.

The North Central Falconeers

PRESIDENT'S MESSAGE

Hope you are enjoying all the fall car shows and Happy Thanksgiving.

Roy E. Sword, President, FCA

EDITOR'S NOTE

Thanks to all the members who are sending us photos and articles about their "favorite Falcon". We'll run them soon in future issues. Let's hear from more of you. Send your solutions to Technical Help questions directly to us so we can run them as soon as we get them in the newsletter.

Thanks for your help.

Bill & Kathy

Ken Kowalk, 6138 Long Hwy., Eaton Rapids, MI 48827, phone (517) 663-4263.

MEET REPORTS

The Southeast Chapter

We now have 38 members in our chapter. In July we had a cookout and swimming party with 15 families and Falcons attending.

In August a group of Falcon members went in a caravan to Cleveland, GA, for the annual AACA Car Show. The following members came back with trophies — Alvin Robertson, '65 Futura Convertible; Dwight Walls, '64 Sprint Hardtop; and Gary Palmer, '66 Falcon 2-door. Congratulations! On September 29 we had a picnic and meeting at Indian Springs State Park. We had a good turnout with 15 Falcons and several other cars in attendance. We signed up 3 new members. We are going to try having a joint meeting with the Suncoast Falcon Chapter next month. We now have our own T-shirts and caps.

Dixieland Chapter

Dixieland Chapter members really enjoyed their Falcons in September! The first Saturday we were guests of the Hudson, Essex Terraplane Club at beautiful Meeman Shelby Forrest in northern Shelby County for a Poker Run and picnic. The second Saturday, chapter members participated in a car show and held a meeting.

There were 5 Falcons and 10 members present at the poker run, which was held before lunch. All were given a map of the park area with several check points marked. At each location was a Falcon question and a H. E. T. question. The participant with the most correct answers in his category was the winner. Since the poker run was not timed, participants were free to stop along the way to enjoy the scenery. A most popular spot was on the banks of the Mississippi River at the western edge of the forest. The winner in the Falcon category was Billy Churchman, who drove his sharp, black, '63 two-door hardtop. Everyone had a great time, in spite of consuming too much picnic lunch.

The open car show on the next Saturday was part of the Bartlett (Tennessee) Celebration, which included a crafts fair, food, and entertainment. There was a class *JUST FOR FALCONS!* We enjoyed the day, even though we experienced a couple of light rain showers. One of the highlights of the day came when we counted the Falcons (6) and then counted the Mustangs (7). Look out Mustangs, here come the Falcons! That evening, the chapter held a meeting at the Western Sizzlin' Steak House with eleven members in attendance. We discussed plans for future activities and ate supper together.

New officers of the chapter are: Fleming Horne, president; Daisy Avery, vice president; Billy Churchman, secretary/treasurer; Dale and Harriet Hastings, activities co-chairmen.

MEET REPORTS (Cont.)

The Founder's Chapter

14 members of the Founder's Chapter met at the Sword's for a car meet and then on to Western Sizzlin' Steak House in Jacksonville, AR, for dinner on October 19, 1985. Regional meet chairman Pat Sword said everything was going well for the meet in Hot Springs October 25 and 26. 22 cars are registered and more are expected.

The chapter planned a Christmas Party for December 7th at the Sword's. Ham will be provided and all members were asked to bring a salad or dessert and a white elephant gift under \$3.00.

Chapter officers for the new year are Linda Acrey, president; Ezra Wingfield, vice president; Kathy Woodell, secretary; and Pat Sword, treasurer.

HOW MANY?

Penny Seay, of Russellville, KY, owns a 1966 Falcon Futura Sport Coupe, model number 13, 8 cylinder, 289 engine. She wanted to know how many of this model were produced. We found that 20,289 were made, Penny.

TECHNICAL HELP WANTED

Have you any information regarding installation of power steering on a 1962? I am told that units from 1963 thru 1966 Falcon-Comet-Mustang will easily fit. Is this true?

Bill Megee, 1219 Lakewood Drive
Carrcroft, Wilmington, DE 19803

I have a 1965 Ranchero, 66H model, factory 4-speed, 289 4-barrel engine. According to Ford production figures, there were 990 66H models. If, according to their figures, 5% of them had the 4-speed manual transmission, and if half of those had the factory 4bbl. carb., is it a collectable? Have you any idea how many Falcons have the 'A' stamped in the fender for the 4bbl. 289 engine?

NATIONAL BUSINESS MEETING

The 6th FCA National Business Meeting was held August 10, 1985 at Overland Park, KS at 1:30 p.m. President Sword thanked the Mid America Chapter for hosting a very successful Meet. He then introduced the Board of Directors and the officers.

President Sword called the business meeting to order by asking for the minutes of the last meeting. Recording Secretary Ruby Throgmorton read the minutes. They were approved as read.

Jim Throgmorton gave the treasurer's report. He reported a balance last year of \$2,745.76 with a \$1,000.00 loan. Income was \$21,103.76 with disbursements of \$22,302.84 including a \$1,000.00 loan to the Mid America Chapter and a \$1,000.00 loan to the club store, giving a balance on hand July 31, 1985 of \$1,546.68 with \$2,000.00 in loans, total assets were \$3,546.68. Report stood approved as read.

Glen Acrey, Vice President, took charge of the election of officers. The Board of Directors recommended Roy Sword for President with no nominations from the floor. Roy is President for the 1985-86 year. The Board of Directors offered the following slate of officers: Glen Acrey - Vice President; Ruby Throgmorton - Recording Secretary; Jim Throgmorton - Treasurer. There were no nominations from the floor. Motion made and carried to accept these officers for the next year.

The Board recommended Glen Blubaugh to return to the Board of Directors for a period of 5 years. Jim Hatcher and Steve Springer were nominated from the floor. Glen Blubaugh withdrew from the nominations. After a vote was taken, Jim Hatcher from Overland Park, KS was elected to the Board of Directors.

Volunteer officers were announced.

Volunteer Officers

Chapter Coordinator — Tom O'Dell
Club Store Manager — Ellen O'Dell
Editors — Bill and Kathy Woodell
Assistant Editor — Roy Sword
Partsmaster — Dave Jones

Old Business:

Proposal on point judging: Tom O'Dell addressed this issue. He said he would rather the club be kept a recreational club, keeping the popular vote. He pointed

national club should provide more to the chapters is now absurd. The real concept is what can the chapter give to the national? The chapter can unite the local members who in turn give this unity to the national. I no longer believe the national club needs us, it is we, the members, who need the national club. By belonging to a chapter you enjoy unity and camaraderie. By following the national club constitution and by-laws — that being all your chapter members are national club members, you automatically support the national.

If you harbor notions that the national isn't supporting the chapters, then you need to reassess your values such as I have done. And, far more important, you, and your chapter, *must* attend a national meet. As more chapters grow and develop in more parts of our beautiful nation, the opportunity for everyone to attend becomes more realistic. Wisconsin will host the 1986 National; by the time you read this we should know if Colorado will host the 1987 National. As things progress we will probably be seeing national meets on both coasts and probably all points in between.

Chapter / national relationships? They are great, if you take the time to understand them. My Ranchero and I will see you in Wisconsin next year!

The Falcon News will accept Commercial Ads for the newsletter. They must be sent to the Editor. All ads must be received by the 10th of the month or it will appear in the next issue of *The Falcon News*. Payment must accompany all ads.

All ads for the classified section of the newsletter must appear with the member's name, or it is considered a commercial ad and must be paid for. Non-member ads in the classified section are \$5.00 each.

ALL ADS MUST BE CAMERA READY. ADS WILL APPEAR IN THE FALCON NEWS ONLY WHERE SPACE PERMITS.

COMMERCIAL AD RATES:
(Price per month)

FULL PAGE	\$50.00
HALF PAGE	30.00
QUARTER PAGE.....	20.00
BUSINESS CARD.....	5.00

Only Falcon related ads will be accepted for *The Falcon News*. "Warning" — The FCA has no way of checking each advertiser, so the FCA accepts no responsibility for any dealings with advertisers. Let us know of any experiences, good or bad. The Falcon Club has the right to reject any or all commercial ads.

CHAPTER / NATIONAL RELATIONSHIPS

By Ray Roberts, FCA #52

There was a time when the topic of chapter/national relationships was subject to much heated debate. Some of you probably remember that some of this spilled over into your newsletter back when I was the editor. Time and acceptance has for the most part cooled this debate, but no concrete solution has ever been printed. Well, I feel that I now know the solution and I need to share it with you. The answer came to me at the Sixth Annual National Meet in Kansas City last August. The meet was the solution. Let me tell you about it.

What does the National Meet have to do with local chapter affairs and your chapter's affiliation with the national? Everything! There are only two items that the national club really provides to you and your chapter: Your *Falcon News* and your National Meet. Yes, there are other items concrete and abstract, but only two accountable items: *The Falcon News* and the National Meet.

The newsletter, under the direction of Harold McLean and President Roy, has grown to a truly respectable publication. Bill and Kathy Woodell are continuing this tradition. All editors have the same problem with newsletters — all newsletters are dependent upon resources. We club members are the resources and we must provide Bill and Kathy with these resources. If you wonder why you read about other members and chapters but not you or yours, it is because Bill and Kathy have not received anything from you to publish. No, don't wait for the other member to do it, you do it and do it now! If your chapter publishes a newsletter, insure that a copy goes to Bill and Kathy — there is darn good stuff in there that they can share with everybody.

The National Meet? The Mid-America Chapter did an excellent job this year in Kansas City. Attending the meet was the real eye-opener for me. I got to talk to anyone who was interested in my Ranchero. I got to talk to the owners of 101 other Falcons. I got to talk to interesting people who didn't own any Falcons. I got to talk to other members of my chapter who attended the National, too. I got to talk to vendors. I got to talk to the local Mid-America Chapter members. I got to talk to the national club officers. We talked about all sorts of topics. I asked questions, I answered questions. I was able to listen and learn a tremendous amount. I found everyone to be sincere and concerned. Was this enough? Yes! The only problem was that I had to go there to attend. The National, through the Mid-America Chapter, provided me, a national club member, with all of this. I, myself, had only to get there.

Camaraderie was the key word. Camaraderie was what the National was all about. Camaraderie is what your local chapter gives you. My old ideas that the

out that the club just was not ready for point judging. He encouraged persons that have their car ready for point judging to encourage and teach others how to bring their cars up to the point judging standards. He suggested seminars along these lines. After discussion a vote was called for. The vote for keeping the popular vote was an overwhelming majority.

New Business:

(1) Dues increase: Effective October 1, 1985, dues will increase to \$15.00 in the United States and increase \$5.00 above that (\$20.00) outside the continental United States.

(2) Advertising for the FCA in magazines. This proved very beneficial to the club. This advertising was done in several car magazines, and quite a few new members were harvested from this advertising. More advertising is to be done.

(3) 1986 National Meet will be held in Appleton, Wisc., August 7, 1986.

(4) Colorado looking toward the possibility of hosting the 1987 meet.

(5) Tom O'Dell agreed to being Convention Director. He would help hosting chapters set up National Meets.

(6) It was brought to the attention that a club member had bought gas at the Kirby Gas Co. in Overland Park and overfilled his tank, resulting in his paint peeling and bubbling.

(7) Along this line it was announced that Amoco Premium no lead was the best gas to buy for Falcons.

(8) The subject of the Comet Car Club joining the FCA. The voice of FCA wants to keep it strictly Falcons.

(9) Question brought up as to whether the Econoline was a Falcon. It is a Falcon.

(10) It was announced that 105 were registered at the National with 95 cars being present.

(11) Motion was made to adjourn. Motion carried.

Respectfully submitted, Ruby Throgmorton, Recording Secretary

1965 FALCON SPECIFICATIONS

This article is about 1965 Falcons. People were interested in them at Kansas City, so I decided to share with everyone. — Ken Kowalk, Eaton Rapids, MI.

IDENTIFICATION

The car warranty number and other important identifying information is stamped on the warranty plate which is attached to the rear face of the left front door. The official Vehicle Identification Number for registration purposes is stamped on the body in the engine compartment.
